NOMINATION FORM PROCEDURES AND GUIDELINES

Please follow the procedures and guidelines below to assist you in completing this Nomination Form. The first three procedures below are the most important to ensure that your nominee is afforded a fair opportunity to be duly considered for the Silver Beaver Award by the Silver Beaver Award Selection Committee (Selection Committee).

1. **Nominations must be submitted only on this official Nomination Form.** Any other form, including the Silver Beaver Award application form posted by the BSA on www.scouting.org, is not considered an official Nomination Form.
2. **This Nomination Form must be fully completed.** Each nominee is considered based upon information contained in this Nomination Form that is intended to capture the full record of noteworthy service of exceptional character to youth of the nominee. Members of the Selection Committee read each Nomination Form carefully to evaluate every nominee. Should you not fully complete this Nomination Form, then your nominee may not get full consideration by the Selection Committee compared to other nominees upon whose behalf fully completed Nomination Forms have been submitted. Please do not place your nominee in this position by providing an incomplete Nomination Form.
3. **You must sign the completed Nomination Form and complete your contact information.** Electronic signatures are required for forms submitted by email.
4. It is preferred that this Nomination Form be completed on-line and then downloaded for signature. If prepared by hand, please ensure that all information is in ink and is legible.
5. There are three categories of service information to be provided as to the nominee; the nominee's: (A) BSA record of service, service to youth outside Scouting and (C) standing in the community. Properly completing this Nomination Form likely requires you conduct some research as to the nominee. Carefully gather records and information, including calls to others and the nominee's family, as to nominee's record of service, without the nominee's knowledge of such research. The Scout Resource Center can help you obtain information on the nominee's record of service. In addition to completing (A) through (C), you are also requested to provide a (D) personal statement of as to the nominee's noteworthy service of exceptional character to youth. Please take the time to provide a personal statement!
6. The Selection Committee recognizes that the nature and value of a nominee's noteworthy service may take the form of a single plan or actions which contributed to the lives of large numbers of youth, or that the service may have be given to small groups over an extended period of time.

7. Except for the personal statement in Section D below and in fairness to all nominees, do not include additional pages or letters of recommendation. These will be separated and disregarded.
8. Avoid generalities such as "He's been on many Scouting committees." Provide detailed information as requested.
9. The Nomination Form must be received by the deadline shown above, either by mail or hand delivery, and sent to the Silver Beaver Award Selection Committee c/o Teresa Stephens, at the Donald W. Reynolds Scout Resource Center.
10. Before submitting the Nomination Form, please make a copy. Nomination Forms will not be returned. This will be convenient in case your nominee is not selected and you intend to re-submit it in the following year. It is common for a nominee to be nominated several times without being selected. If your nominee is not selected, you are encouraged to update the Nomination Form and re-submit it in the following year. Nomination Forms will be kept on file for reference purposes only for a period of one year and will not be carried forward for consideration by the Selection Committee in the following year.
11. The number of Silver Beaver Awards to be presented by the Indian Nations Council is limited by BSA policy. The Committee may determine not to use all awards allocated by this policy. The Selection Committee only has authority to approve nominations. Final selection is a function of the BSA National Committee on Awards for Distinguished Service. Decisions by the all-volunteer Selection Committee to approve nominations are final.
13. The Selection Committee will notify nominees who are selected. You will be notified of the final disposition of your nomination. To avoid possible disappointment, please do not advise nominee of your nomination. The Silver Beaver Award should come as a complete surprise to each recipient.
