

Indian Nations Council, Boy Scouts of America Name Your District Contest Rules

The Indian Nations Council has been redistricted to better serve our Scouting families and we need your Scouts help to name the new districts.

Rules:

- Only youth, 17 and under, can enter the contest, with their parent's consent.
- A Scout may only submit a name and logo for the new district in which they reside. This is based on the unit in which the Scout is registered.
- No current or previous district names can be used.
- No Wood Badge critters.
- No Native American names.

The best submission for each of the three new districts will be selected by the committee and announced June 4, 2021.

Each of the 3 winning Scouts will receive \$500.

District Name and Logo submission deadline is May 28, 2021 at 5:00pm.
