

Cub Scout Overnight Opportunities

Cub Scout Camping Policy

Cub Scouts may experience overnight activities in venues other than accredited resident camping.

Pack Overnights

These are pack-organized overnight events involving more than one family from a single pack, focused on age-appropriate Cub Scout activities and conducted **at council-approved locations (see below)**. If nonmembers (siblings) participate, the event must be structured accordingly to accommodate them. BSA Health and Safety and Youth Protection policies apply. In most cases, each youth member will be under the supervision of a parent or guardian. In all cases, each youth participant is responsible to a specific adult.

At least one adult on a pack overnights must have completed Basic Adult Leader Outdoor Orientation (*BALOO*, No. 34162) to properly understand the importance of program intent, Youth Protection policies, health and safety, site selection, age-appropriate activities, and sufficient adult participation.
